

ADC African Development Corporation is a listed private equity company, primarily investing in financial services in sub-Saharan Africa. ADC looks for investment opportunities with management control, where it can play an active role in reaching operating excellence. ADC's aim is to realize high returns for its investors, while at the same time building up a strong financial services industry in sub-Saharan Africa and so creating development value for its portfolio/target countries.

ADC offers year-round internships based in its Frankfurt offices. Candidates interested in an internship will have to be available for at least ten weeks to be considered.

### PROFILE – INTERNSHIP (F/M)

During an internship with ADC you will support the team in all of its daily work. You will be involved in:

- Market and industry research
- Identification of investment targets
- Analysis of investment opportunities
- Financial and commercial due diligence process
- Valuations of target/portfolio companies
- Proposals for deal/transaction structuring
- Preparation of investor presentations
- Preparation of investor reports

You will be based in Frankfurt and should be available for 2.5 – 6 months. Potentially, there will be the opportunity to join the team at the client side in sub-Saharan Africa, but this will depend from deal to deal and will be decided on a case-to-case basis. Successful candidates fit the following profile:

- Independent and pro-active attitude with a critical mind and perseverance
- Enthusiastic and commercially-minded person
- Highly developed analytical skills and a good numerical understanding
- Capable of finding creative solutions to complex problems
- Flexible mindset and is a real team player with good communication and social skills
- Hands-on approach, focuses on quality, and always considers both substantive and commercial aspects
- Ideally has prior experience in Investment banking, consulting or business development
- Completed at least four semesters of university studies
- Strong interest in sub-Saharan African markets preferred
- Excellent English-skills, German/French/Spanish are beneficial
- Excellent power point and excel skills

If you interested to support a flexible and dynamic team, to improve your knowledge in Private Equity business in the world's fastest growing regions, to act independently and thereby also contribute to the positive development, you are exactly right with us.
