

ADC AFRICAN DEVELOPMENT  
CORPORATION

## VISITING ASSOCIATES (F/M)

ADC African Development Corporation is a listed private equity company, which invests primarily in financial services in sub-Saharan Africa. ADC actively seeks investment opportunities with management control, which offer leeway in restructuring the operative business and in which ADC plays an active role in achieving objectives. ADC's aim is to realize high returns for its investors, while at the same time building up a strong financial services industry in sub-Saharan Africa thus promoting knowledge transfer in the target countries.

ADC offers year-round opportunities to support in its Frankfurt offices. Candidates interested in a position as Visiting Associate will have to be available for at least ten weeks. Potentially, there will be the opportunity to join the team at the client side in sub-Saharan Africa, but this will depend from deal to deal.

### Responsibilities

- Market and industry research
- Identification of investment targets
- Analysis of investment opportunities and valuations of target/portfolio companies
- Financial and commercial due diligence process
- Proposals for deal/transaction structuring
- Preparation of investor presentations and reports

### Profile

- Independent and pro-active attitude with a critical mind and perseverance
- Enthusiastic and commercially-minded person
- Highly developed analytical skills and a valuation know-how
- Capable of finding creative solutions to complex problems
- Flexible mindset and is a real team player with good communication and social skills
- Hands-on approach, focusing on quality
- Prior experience in investment banking, consulting or business development
- Currently in MBA or PhD studies
- Strong interest in sub-Saharan African markets preferred
- Excellent English-skills, German/French/Spanish are beneficial

If you are interested in supporting a flexible, young team, improving your knowledge in the Private Equity business in the world's fastest growing regions, working independently and contributing to the positive development, this is the job for you.
